Brenda Sprules
Competition Treasurer
Buckingham Charity Cup Competition

Dear Ms Sprules

Thank you, on behalf of everyone at Katharine House Hospice, for the kind donation of £165.00 raised through the Buckingham Charity Cup Competition, please pass on our grateful thanks to Banbury United Football Club, and the Competition Council for their kind nominations. This is very much appreciated and your receipt is enclosed.

Last year we were involved in the care of over 760 patients through one or more of our services. Of these, 450 were new patients. Since the Hospice introduced a night nursing service for patients in their own homes, this has allowed more than 30 patients to be cared for at home for longer than would otherwise have been possible, with a total of 76 nights of nursing care being provided.

Thank you again to everyone involved for thinking of us in this way.

Kind regards

Yours sincerely

Wendy Crosse
Fundraising Administrator
