

Subject: Buckingham Charity Cup: reat Horwood FOCUS Magazine

Dear Brenda,

Thank you for your letter of the 1st of December and the cheque for £35.

I understand 'Focus' village magazine was nominated by Great Horwood Football Club and I have written to thank them for doing that.

'Focus' village magazine is produced monthly and delivered free to all 400 households in the villages of Great Horwood and Singleborough. It keeps all the residents right up to date with all the local news and events. As well as keeping everyone informed it also helps create a sense of community in the village.

The magazine is produced at cost and everyone involved with it does so on a voluntary basis. Most of the costs are borne by advertising, but there is a shortfall of several hundred pounds, which relies on donations. So contributions such as these ensure that the magazine continues to flourish, and is much appreciated.

Thank you.

Dean White (Editor, Great Horwood FOCUS Magazine)
